Gearing Up for Toys for Tots Campaign

It's that time of Year!

September brings us one step closer to the Fall and Winter months. It's the time of year when we start to plan for the holiday season and think about the contributions we can make to assist those less fortunate than us.

The Golden Gears Car Club makes a grand effort to support Toys for Tots campaign. Jump starting the initiative was Trout's Restaurant in Woodsboro which hosted the first event by donating proceeds from omelets and desserts. Must have been a lot of hungry people in the area since the donation from Trout's was huge.

Next in generosity was Applebee's restaurant who allowed Mr. & Mrs. Santa Claus to visit and pass out treats to patrons

who dropped off toys for the boys and girls of Frederick County. And yes, Santa did have candy canes and a lot of Ho Ho Ho's for drive bye honkers!

Bring a new toy (preferred) or a cash donation. The first 75 to donate will receive a dash plaque and a chance to win a door prize or luck of the draw trophy.

The Golden Gears Club made some folks smile at the North Hampton Nursing home as the residents enjoyed ice cream and lemonade as they strolled down memory lane looking at the cars and trucks from the club.

Hanover Chicken Run

August 1st marked the Hanover Chicken Run Show at St. David Lutheran Church. No clucking about it, good chicken and all the fixins were devoured by all. Hundreds of cars and trucks lined the scenic hill side.

Dynamics Car Show

Our car club did the registration, music, announcing and 50/50 raffle for the show on August 30th. Dynamic Auto is one of our annual sponsors which allows them to ask us to help with a car show. The money raised by this show went to the Urbana High School marching band's new uniforms. We were also interviewed by WFRE which aired the next day as well as an interview with Frederick.com. Both are on our website.

Adventure Park

WFRE invited our car club to their event on July 16th. Kids enjoyed special ride rates at the park and we enjoyed a few hours of fun. Pictured are Roger, Linda and Glen in front of the monster truck.

Memorial

The Golden Gears Club would like to express our deepest sympathy to the family, friends and members of the Out Cast Car Club with the passing of Dan Little.

Notes from the President

As fall approaches we are coming to our final shows and cruise-ins. Throughout the year we have supported and donated time & money to many local groups and organizations. Our final cruise-ins bring us to our Toys for Tots fund drive.

Starting in early September & ending at Westview Promenade in December we hope to make this a successful drive for the kids. Thanks again to everyone for their help and support with all our shows, cruise-ins and other activities.

Remember autumn brings leaves, wet leaves bring slippery roads. Please drive carefully!

Shop with a Cop

September 26th, the Optimist Club in Frederick hosted its Shop with a Cop Campaign to raise funds for needy children in the county. Wegman's grilled hamburgers and hotdogs for hungry car enthusiasts. Forty Five cars were at the event. Roger provided his talents to help auction off several items and call raffle winners of the terrific baskets the Optimist club members donated to help raise funds.

Letter from the Vice President

Well, I have 6 months under my belt as Vice President of this great car club. It didn't take long to find out the work involved to keep things shifting in the right direction. My hat comes off to all the previous officers for all those years of service, you did a tremendous job! I'm a hands on kind of guy who likes to make sure everyone is happy, if possible. If you ever need to suggest or disagree with me on anything, I'm always available because God knows I'm far from perfect.

It takes a lot of gears to keep things moving and I think our club has once again kept those gears greased well. The club has been involved with quite a few events so thanks to all the effort from many members, we are making a positive impact on the community. Give yourselves a big hand members, as it all starts with team players. I thank each and every one of you who have helped make my transition into this position go pretty darn smoothly.

I think we have a lot of good things coming up with the club. These things include the Dolly's Toys for Tots campaign. The event got off to a great start thanks to Mary Webber and Trout's Restaurant in Woodsboro. For two weeks Trout's donated \$1 for every omelet and dessert ordered. As a result, Trout's will be giving our club a check for **\$1,000** from this project. Thanks to Mary and all the hungry cruisers who came out to eat and enjoy the beautiful day.

Several members have been working on getting new annual sponsors which we are always looking for. We hope this will turn into maybe 6 or 8 new sponsors for next year. You can't beat the cost of \$200 to be an annual sponsor and get all the perks you receive from being a sponsor. **I personally challenge each member to find (1) new sponsor which greatly benefits the club.** Thanks Again Everyone!, Mike

The Golden Gears car club first met Omar at the Roads Knights car show. Omar happened to see this show and came to do a video of the event. We introduced ourselves to Omar and invited him to come to other events that we were involved in. You can see the video Omar produced as well as the Patty Pollatos event on the Golden Gears web site.

Omar is a great freelance video guy who can provide different services. He was really excited to video all these great looking cars as well as hearing them run. Omar even did a burn out shoot of Clarks Camaro at the Road Knights show which is highlighted on our web site.

Heart of Maryland MVA Show

[Bad Boy, Bad Boys, What You Goanna Do!](#)

Local Boys Scouts at the MVA show handcuffed over Bob & Pam's State Trooper car as our local Barney Fief read them their rights – all in good fun at the Heart of Maryland's show to benefit Alzheimer's. Lots of food, prizes, 50/50 raffles and a live auction brought in a huge crowd.
