We will have a diverse showing of cars, which is our goal. Our club members enjoy meeting people that love their cars as much as we do. All GM brands are important, and we hope to see entrants from every brand.

Our 200-point Heartbeat judging will be done by an independent group of judges. The heartbeat judging will take place at your location on the show field. We will come to you.

Come out and join us at our new location in Frederick County MD for a day of great music great food and amazing cars. If you haven't been to one of our shows, it's a must!
